

Informationen about the “Online Exam” in *Differential Geometry I*

on March, 31st, 2022, 10 to 12 am

1. *Participation:* Every student who would like to participate in the take home exam sends a short email until March, 29th, 2022, 11:59 pm, to Henriette.Lipschuetz@fu-berlin.de telling so. Please, use the email address the exercises of the exam should be sent to.

2. *Process of the Exam:*

- The exercises of the exam will be sent to you at 10:10 am via email. All of you have to acknowledge receipt (“Received.” totally suffices).
- The processing time is 90 minutes (i.e. 10:15 am - 11:45 am).
- Until 12:00 pm (i.e. 15 minutes after the end of the processing time) the solutions and the completed “Gesundheits- und Eigenständigkeitserklärung” (see GEE), too, have to be sent back. Receiving your solutions and the Eigenständigkeitserklärung will be acknowledged via email. Submitting the solutions declares your agreement with the given kind of exam.

3. *Solutions:*

- **Supplement:** *No* aids are allowed.
- The solutions can be produced using an exterior input device (like a tablet).
- Are the solutions written by hand, please use paper solely from one side to avoid the text on the back side to show through and to increase the probability to scan all pages. If possible group your solutions according to the exercises they are belonging to.
- Solutions written by hand will be scanned or photographed (Abo-de Scan, Prozmo, CamScanner → try it.)
- In either case, the solutions will be submitted as pdf. Please submit exactly two files (GEE and solution) and name them as follows:
DG.I.ex2_FirstNameFamilyName.pdf,
DG.I.GEE_FirstNameFamilyName.pdf.
