Student number

Declaration

concerning the examination of module _____

on _____

1. I hereby confirm my willingness to take this examination as a take-home examination.
2. For the examination that I am to now take, I also confirm
 - that I am physically able to take the examination,
 - that the work I will submit for this examination is mine and mine alone,
 - that I will not use any other resources or aids for the examination other than those that were explicitly deemed permissible beforehand.
3. Furthermore, I am aware
 - that the following personal information is required from me in order to conduct the examination and for it to be graded: Last name, first name, email address, and student number, in addition to the order, specific time, and duration of each question I worked on and my answers,
 - that if I do not submit my results by the deadline communicated to me in advance, I will fail the examination,
 - that if I am caught attempting to cheat, I will fail the examination,
 - and that if my attempt to cheat is particularly severe, I could fail the examination with no opportunity to retake it and not be allowed to continue my studies in this program.
