Sommersemester 2014

3. Exercise sheet, 2. May 2014

Discussion: 8. May 2014

Exercise 1.

Given the text $s = \text{CCGCCCTACACCACAG}$. Build the WOTD tree (not complete but by the search below).

1. Formulate the search algorithm in a WOTD tree in pseudocode.
2. Conduct the search for *ACA* step by step.
